## **Luella Amolsch Tuition Assistance**

Each academic year, the Luella Amolsch Trust provides tuition assistance to Monroe Catholic Elementary School (MCES) students whose parents/guardians are registered parishioners of St. Michael the Archangel. The amount for this award is determined annually, there are no family household income qualifications, and no need for a family to apply.

In addition, the Luella Amolsch Trust provides for an additional need-based scholarship. The *Private School Aid Service* (PSAS) form will be utilized to determine additional financial assistance for each family; limited to \$500 per student, per year.

The PSAS form will be available in all school offices mid-January. The deadline for PSAS grant application is April, 2012 and award letters are mailed to applicants, schools and parishes by July 30.
