

Iowa Assessment

The *Iowa Assessments* provide detailed information about our individual students in a variety of content areas including Reading, English Language Arts, Mathematics, Science and Social Studies.

The *Iowa Assessments* help determine how students are performing within the State of Michigan curriculum as described in the Common Core Standards.

The *Iowa Assessments* measure student growth and progress from year to year.

The *Iowa Assessments* help teachers identify a student's strengths and identify areas that may need additional emphasis. The assessments produce information that enable sound decision making and provide a focus for teachers to evaluate their instruction.

The *Iowa Assessments* provide information about student performance relative to the school, the State of Michigan, and the nation.

The results of the Iowa Assessments help prepare our students for the next step on their educational path.
