

## MONROE CATHOLIC ELEMENTARY SCHOOLS

January 9, 2012

Dear Monroe Catholic Elementary School Families,

No other school experience addresses the whole person as well as a Catholic school. No other school experience brings the *Light of Faith* to shine as well as a Catholic school. This is what we believe and this is what we know to be true. Similar to Monroe, throughout the nation, Catholic schools are finding strength by envisioning a new tomorrow, together. Like us, they know that they can do more together than they ever could accomplish separately.

***Within this packet you will find the first phase of enrollment information for 2012-2013.*** Much of this information will be built upon throughout the remainder of this school year. Updates pertaining to every aspect of Catholic education in Monroe will be provided as quickly as they become available.

Disciples First,
